SEVERE CASE OF ECZEMA ON LITTLE GIRL'S SCALP

Large Blisters Appeared. Hair Fell Out in Handfuls. Cuticura Completely Healed.

"My little girl, two years old, developed a severe case of eczema; large blisters appearing on her scalp, a dozen at least in number. These broke causing rough, red, scaly blisters the size of a dime, from which the hair fell out in handfuls. She was feverish and constantly irritated the eruption with her nails. Her rest was broken and she was always cross, and the breaking out also spread over her face and neck.

"The case was three months standing when I sent for a free sample of Cuticura Soap and Ointment. From the first she began to get better so I bought more and two bars of Cuticura Soap and one box of Ointment completely healed her." (Signed) Mrs. C. W. Andrews, Bowie, Ariz., July 24, 1916.

Clear the pores of impurities by daily use of Cuticura Soap and occasional touches of Cuticura Ointment.

For Free Sample Each by Return Mail address post-card: "Cuticura, Dept. H, Boston." Sold everywhere.
